

Contracted Faculty of Practice –Pay Information – SUMMER TERM

To initiate payment for your course we must receive a signed/acknowledged contract.

Contracted Faculty of Practice are paid on a monthly basis, on the 5th of each month. If the 5th falls on a weekend or holiday, payment is made the Friday before.

Payments begin the month after the Term of your course starts. For example, if the Term starts in May, payments begin in June. If the Term starts in July, payments begin in August, etc.

The number of payments you will receive for each course is determined by the number of months the Term of your course runs (according to the “bookend dates” set by the Registrar). For example, if the Term starts in May and ends in August, total compensation is divided into 4 payments. If the Term runs from July to August, pay is divided by 2, etc.
