

Answer some questions about a possible topic:

Is the topic too broad or too narrow?
Is there information about this topic?

Example: topic that is too broad = Iraq war
topic that is too narrow = impact of the war on
Iraq's single, female college students
regarding possible narrowing of
educational opportunities available to them

In what area of knowledge is the topic located?
What is the perspective / angle of the topic?

Example: use the Dewey Browser to identify which subject
area would best suit the focus of the topic
