

CSP's Comet Card

All Concordia University, St. Paul students receive a Comet Card that functions as the official Campus Identification Card. This card has many features that you're able to activate and begin using the day you receive your card. Students can expect to receive their Comet Card in the mail approximately 2 weeks after the start of classes.

Your Comet Card includes basic information such as your identification number (L number). This number will be very useful to you in your program and is referenced frequently. Your Comet Card also serves as your library card.

Your Comet Card can have two debit accounts: Concordia Cash and Flex Points. Your *Concordia Cash* can be used to purchase items from vending machines, buy books and supplies at the Concordia Bookstore. *Flex Points* are used to purchase items at the Commons Café, the Student Union, and the Dining Hall.

Visit the Student Services website for more helpful information about your student identification Comet Card - <http://www.csp.edu/student-life/student-services-offices/concordia-id-cards/>
