

Concordia University's Student Policies

Students starting at Concordia are encouraged to take time and review the Adult Undergraduate and Graduate Student Policies found in CSPConnect under the Advising and Student Resources tab.

The screenshot shows the CSPConnect website interface. At the top, there is a navigation bar with the Concordia University Saint Paul logo and the CSPConnect logo. Below this, there is a user greeting: "Welcome Comet Bear" and "You are currently logged in." To the right, there are icons for "Groups", "Blackboard", "Library", and "Bookstore". Below the navigation bar, there is a horizontal menu with tabs: "CSP Home", "Financial Aid and Billing", "Grades and Registration", "Advising and Student Resources" (which is highlighted), "Library and Technology", and "For Me Only". Under the "Advising and Student Resources" tab, there are two main sections: "Majors and Minors" and "Cohort Advising". The "Majors and Minors" section includes a link for "Adult Undergraduate Minor Declaration Form". The "Cohort Advising" section is partially visible. To the right of these sections, there is a "Student Policies" section with three links: "Academic Catalog", "Student Policies Handbook", and "Adult Undergraduate and Graduate Student Policies". A red arrow points to the "Adult Undergraduate and Graduate Student Policies" link.

Several items are covered within the Student Policies document including academic requirements and procedures, add/drop/withdrawal schedule and attendance policies. This document also includes cohort expectations that are described in detail in the document, but include:

- Professionalism
- Honesty
- Confidentiality
- Respect
- Collegiality

A complete Student Policies Handbook can be found at:
