

Minnesota Teacher Licensure Exams – Academic Content Area & Pedagogy

CAEP Outcome Measures

Ability of Completers to Meet Licensing and State Requirements

The Higher Education Act, Title II, Section 207 (1998), requires all institutions that prepare teachers to report their candidates' pass rates on state licensing tests. In Minnesota, teacher candidates are required to pass the Minnesota National Evaluation Series™ (NES®) Essential Academic Skills Test, which contains three subtests: mathematics, reading and writing. Candidates are also required to pass examinations related to subject matter content and pedagogy. The pass rates for Concordia University teacher education candidates for 2016/17, 17/18, and 18/19 are given in the chart below.
